## “Because of You ...”

### Yes, “Because of You...”

**a**nd your love for Our Lady and your dedication to spreading Her urgent Fatima Message, this past year we have reached millions more souls with Her saving words through the media of Television and Radio.

Remember in the gospel it tells how Our Lord went amongst sinners to preach. And so it is with television. There are few households that do not have TV and too many of those that do, glue themselves to the screen amidst the blasphemies, violence and multitude of sinfulness.

Fatima: “The Moment Has Come” is Heaven’s oasis on TV, the one place they can hear the truth; the whole truth; information they need to know to save their family’s souls, and especially their own.

Over the years, we have received countless letters and phone calls, telling of little miracles, of the graces and conversions that have taken place because of what they learned and put into practice from Fatima: “The Moment Has Come”.

Can you imagine how angry this must make the devil? He thought he had the market cornered on TV. Mary shall crush the serpent’s head. You are Her heel and all you do to help keep Fatima: “The Moment Has Come” on the air assists Her in crushing the devil’s evil plans to steal more souls.

Our Lady may not have reached them soon enough — if it hadn’t been for you. Keep up the good work. We have many more walls to break through and many more souls waiting for the peace, the grace, and the hope Our Lady offers.

God Bless you and Our Lady keep you safe under Her holy mantle.

### FATIMA: World Peace 2000 Another Monumental Breakthrough

### “BECAUSE OF YOU!...”

**T**his year, the 4th Bishops Conference, *Fatima: World Peace 2000* was held in Hamilton, Ontario. We had our TV cameras there to film the entire conference. Every single speaker was taped and videos will be available as soon after the conference as we can get that large workload done.

This year, because of our new TV equipment, again, “Because of YOU”, we were able to broadcast the Conference LIVE on the Internet. That meant every bishop and priest around the world who has access to a computer can hear the entire conference live — and no Pro-Nuncio could stop them from attending the conference in the privacy of their own home.

What a breakthrough.

As you may recall, bishops and priests were obstructed from attending the past conferences when their Pro-Nuncios wrote illicit letters forbidding them to come. Other Vatican bureaucrats pressured government officials to cancel travelling visas and some were even threatened with loss of authority or transfers to outback dioceses should they support the Conference or attend.

Now, as each bishop and priest could enjoy the entire Conference in the privacy of their own living room — no one will ever know. Do you see how far your generosity has gone in furthering the message of Fatima? This is a first - a monumental breakthrough! “Because of YOU!”

# Fatima & The Saints Featuring St. Antonius

*“Whosoever asks and expects to find graces without the intercession of Mary, endeavors to fly without wings.” — St. Antonius*

By James W. Demers

**“T**o fly without wings,” is the perfect description of Internet usage. Students and researchers attempting to find answers via the Internet send questions and queries into flight at the “speed of light”. Unless there is a server out there prepared to return answers, the flights are in vain.

So, too, with the soul that seeks to find graces without going through Mary. Mary, one might say, is the server who answers all of man’s needs and yearnings for God, for His graces, for His virtues.

How fitting that through Mary graces too can fly at the speed of light, especially in this day and age, an age in which, prophecy has predicted, the will of the anti-Christ, the voice of the anti-Christ will be ‘in the air’.

The television age for decades seemed to be the interpretation of this prediction. Then along came the Internet. Day by day it grows more sophisticated, sleeker and simpler to use. At the touch of a key a world of attitudes, information or disinformation is before our eyes.

While the Internet may, for too many, be the only worldly escape from the monotony of news bites repeated ad infinitum on CNN, Mary is, for all, the only heavenly escape from the monotony and banality of the modern world. This fact is lost on “Bible Christians” who can quote chapter and verse reflexively, but adamantly reject the notion that Mary, the Mother of God, can possibly have anything to do with the distribution of the wisdom of God, His virtues and His graces.

The devaluing of Mary that was one of the unhealthy by-products of the neo-Reformation which convulsed the Catholic Church itself during and after the Second Vatican Council. A generation of priests later, many priests do not welcome, let alone nourish, Marian Devotions in their churches.

The collapse of fidelity to the Mother of God that had been one of the hallmarks of Roman Catholicism throughout the centuries has left a void in the Church. Hand in hand with the sidelining of Mary was the sidelining of Fatima, possibly her greatest intervention ever in the affairs of the Church and the world.

When Our Lady at Fatima, predicted persecution of the Church, She may have also been referring to the loss to the Church of the graces it needs, for which Mary had ever been the conduit of God.

In much of the world, the beauty of Mary has been replaced with the ugliness of sex scandals and dissent from Magisterial teaching that would have been unthinkable in the Church of only forty years ago, wherein Mary was the chatelaine of the doors to God’s many mansions and was serenaded daily, celebrated weekly and heralded seasonally as the champion of all members of the now near comatose Church militant.

Without Her, the wings of the Holy Spirit have nowhere to alight, for Her Sacred Spouse is hardly likely to feel welcome where His Bride has been so badly treated.

## **Another Reason Why We Need to Keep FATIMA: "The Moment Has Come" on the Air**

Dear Father Gruner:

*Tan Publishing Co. has just published the appendix to the book: In the Murky Waters of Vatican II. It is titled: "The Catholic Church and Homosexuality." The appendix contains the truths that the Catholic Church has always taught in regards to homosexuality. This information must be made known to all Cardinals, bishops, priests, religious, and lay leaders in order that they may bring the homosexual agenda to all Catholics worldwide.*

*As you are well aware, homosexuality is being taught in public and Catholic schools as an alternate lifestyle. This must be stopped because it endangers the salvation of the immortal souls of those students. Pope John Paul II has frequently spoken about the "culture of death" which includes contraception, abortion, euthanasia and homosexuality. All of these are an abomination in the eyes of Almighty God.*

*Please use your resources and influence to put a stop to the homosexual agenda. The appendix provides a means of getting the truth to all Catholics.*

*May God richly bless you and may Our Lady always guide, protect and inspire you.*

Gratefully,  
John J. Nolan.

The following verses were written and submitted by one of Our Lady's dear ones, R. Norman Crowley.

### **Our Lady of Fatima**

When Our Lady of Fatima  
appeared to the three  
Little Portuguese shepherds,  
And allowed them to see

Those visions of Her  
with St. Joseph and Child  
While for the big crowd  
The sun did spin wild  
As proof to the world  
The Vision was there.

She gave us a way  
To end all the strife.  
And take fear of war  
Out of all of our life.

The Rosary the World must pray  
The Rosary today and every day  
If human freedom is to be  
The pattern of life's way  
If it will only say  
Her Rosary, as She has asked,  
And say it every day.

The World, and every race therein  
Must do what's to be done.  
So Moslem, Christian, Hindu, Jew  
She wants the Rosary from You.

Watch for our new TV program with Bob Brindle on home schooling, one more line of defense against the attack on our youth, spoken about in Mr. Nolan's letter. (See above)

We'd like to hear from you too. Send us your poems and writings, the little miracles you've encountered, your favorite little story, news about Our Lady from your area, so we can share it here with all of Our Lady's helpers. Please send it to:
